ABOUT SSE

Established in 2008, Symbiosis School of Economics (SSE) is a young, vibrant, and rapidly growing institution with a demonstrable record of success. SSE is a distinctive institute dedicated to cultivating intellectual discipline and fostering critical, analytical thinking. Our approach empowers students to think rationally, appreciate the importance of making optimal decisions within real-world constraints, and develop a strong drive to achieve balance and equilibrium in an economic context.

SSE offers graduate and postgraduate programs in Economics, within which students develop the intellectual and professional competencies for successful life and work leadership. Our B.Sc. Economics curriculum delivers rigorous, multi-dimensional learning that seamlessly integrates descriptive analysis with hands-on investigative methodologies. Students engage with economic realities across all scales – from microeconomic decision-making and macroeconomic policy frameworks to complex global economic interdependencies.

With its interdisciplinary flavor, the curriculum prepares students for careers in banks, financial institutions, market research, consultancy, Government, academia, and so on. Despite the demanding environment, there is ample scope for creativity, originality, and student Initiatives. The well-designed course structure follows an ARPIE framework (Academics - Research - Placements - Internationalization - and Enhanced Engagements), ensuring holistic development that prepares students for diverse career trajectories and global opportunities.

DIRECTOR'S NOTE

Dear Recruiters,

It gives me immense pleasure to introduce to you the graduating B.Sc. Economics batch of 2026! Approximately 5% of the applicants are admitted each year, which bears testimony to our academic excellence.

We at SSE are confident that we leave the Symbiosis stamp of quality education for all our students. This is an outcome of the efforts of our young, talented, and dynamic faculty members, who are the backbone of our institute. The ever-evolving and well-structured curriculum, which is explained with the help of innovative pedagogy, provides the students with an education that empowers them with knowledge, familiarizes them with analytical skills, and encourages them to be creative, adaptable, and result-oriented. The program is demanding and requires students to be disciplined while providing plenty of scope for creativity, originality, and student initiative.

The students are also sensitized to different cultures as they are drawn from various parts of India and the world. We believe that our graduates will be pragmatic professionals, critical analysts, competent decision scientists, and policymakers while also being sensitive human beings. They will most certainly be capable of providing an integrated framework to various economic, business, and financial challenges facing the 21st century.

It is my privilege to invite you to participate in SSE's Campus Recruitment. We look forward to a mutually beneficial, and long-term collaborative relationship.

Warm
Regards,
Prof. Jyoti Chandiramani
Director, Symbiosis School of
Economics

SIU RANKING

PROGRAM OVERVIEW

The B.Sc. Economics program for the 2023-27 batch, is a comprehensive 4-year degree programme that equips students with a strong foundation in economics and research. The curriculum encompasses essential domains such as economic theory, programming and data analysis, financial markets, and econometrics. The pedagogical approach at SSE prioritizes experiential learning, where students engage with data visualisation tools and programming languages. EVENTS AT SSE

NIVERVE: SSE ANNUAL FEST

Niverve, is where books step back, and imagination takes charge. A dynamic blend of intellect, rhythm, and vibrant hues, it's where learning meets creativity in bursts of youthful energy and excitement. Showcasing a spectrum of talent, Niverve invites singers, dancers, debaters, street performers, bands, poets, writers, photographers, and more. Last year, it embarked on a nostalgic journey, blending the past with the present. More than just a showcase, Niverve is a living celebration of unity, art, and culture where everyone gets an opportunity to take part in all the events.

ECONOMIST OF THE YEAR (EOTY)

SSE's yearly flagship event, Economist of the Year (EOTY), stands as a pinnacle of excellence where students nationwide exhibit their prowess in a diverse range of intellectually stimulating competitions. As the year progresses, the contest intensifies, challenging participants in various aspects, including analytical acumen, critical thinking, research aptitude, and a well-rounded grasp of general knowledge.
